Dear Burton Heritage Group

Re: Donation of £300

I am writing on behalf of staff, governors and pupils to say a heart felt thank you for your very kind donation of £300 to our school. As you know budget cuts are making it harder and harder to provide the 'extras' that our children so deserve, This really will help to make a difference as we are going to use it to launch our own school garden/allotment throughout the spring term.

Once again, many thanks and we look forward to joining with you in more community events in the near future.

Best wishes

Sarah Brown
Headteacher
